

STORY BOOK STABLES

Brenda Joyce, Owner

What makes Story Book Stables so special? *Our studs! Story Book Stables really took off in early 2016 with the purchase of Star Spangled Whiz. And then we began standing Wimpys High Bid for the public just this year. I really believe in these two horses. They are both extremely talented and beautiful, but what makes them so special is their brains. They are both so kind and good minded.*

Why did you decided to stand Star Spangled Whiz? *Owning him has been a dream come true! He really stamps his offspring with not only his look, but his good mindedness and talent.*

Why is being a sponsor of the AzRHA important for your business? *It is so important to give back to the sport. And by sponsoring the AzRHA, and the Best of the West show specifically, I hope to help keep this high caliber event in Arizona while promoting Star Spangled Whiz and Wimpys High Bid.*
