

**ARIZONA REINING HORSE ASSOCIATION  
WINS TEAM COMPETITION AT  
NRHA SOUTHWEST U.S. REGIONAL AFFILIATE FINALS**

The Southwest U.S. Regional Affiliate Finals (RAF) was held September 29-October 2, 2011 at Westworld in Scottsdale, Arizona. In addition to qualifying riders for the Adequan<sup>®</sup> North American Affiliate Championships (NAAC), the show featured an Affiliate Team Competition where the affiliates in the Southwest U.S. Region compete for points and the chance to win \$500.00 from NRHA. The unofficial results show that the Arizona Reining Horse Association won the team competition! AzRHA would like to thank all the reiners who designated AzRHA as their affiliate and made this win possible!

All NRHA members are required to “designate” an affiliate to be eligible to compete at the NRHA Regional Affiliate Finals and the NAAC. AzRHA congratulates all of the NAAC qualifiers listed below who designated AzRHA as their affiliate. We look forward to seeing everyone in Oklahoma City at the NRHA Futurity and NAAC Show held November 24 – December 3<sup>rd</sup>. Have a safe trip and good luck!

In an effort to provide the most current information possible, we have posted these unofficial results on the AzRHA official Website and Facebook Group, but are not responsible for content or errors. Once results are received in the NRHA Office and entered in the database they become official. For official status on results please contact the NRHA office at 405-946-7400.
